\$2.8 Million

To enhance and support the HVAC&R Program

EXPENSES

\$150,000

In support of student activities

EVENT DONATIONS

\$72,000

Assuring financial growth of the HVAC&R Program

FROM HVAC&R DIRECTOR

With over 150 participants and 20 industry sponsors the HVAC&R Annual Event on October 7 and 8 was a great event. I am so thankful to all the volunteers from the HVAC&R IAB who helped with the outreach campaign. Special thanks to:

- Doug Scott who organized the Wine Tour, probably the best we ever had.
- Larry Sun and Lukas Mickevicius for organizing the Golf Tournament.
- Ken Mozek and Jesse Maddren for organizing the mountain biking.
- Jennifer Mott for the catering arrangements.
- Brenda Flood from the ME Department for everything related to the financial aspects of the event.

For the first time we had the HVAC&R Industry Showcase on the same day as the Annual Event Mixer. The ASHRAE Student Club did an excellent job organizing it and we had over 150 first-year students attending. This is great news since exposure to the HVAC&R industry early will spark student interest in the HVAC&R industry.

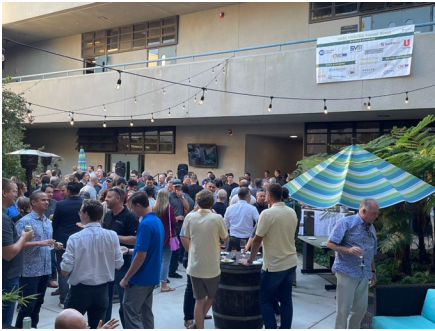

Sincerely,

Steffen Peuker

2022 HVAC&R Annual Event

The 2022 HVAC&R Annual Event was a huge success! After a two-year hiatus everybody enjoyed the mixer on Friday evening as well as golfing, wine tasting and mountain biking on Saturday. After expenses, the net income is an all-time record high! Thanks to all volunteers, students and, of course, our industry sponsors to assure the growth of our HVAC&R Program.

Upcoming Events

- **Net-Zero Design-a-thon (Student Competition, formerly MCA Challenge) – January 27-29, 2023**
- **HVAC&R Career Fair – April 21, Spring 2023**
- **18th Annual HVAC&R Event – October 6 & 7, 2023**
- **HVAC&R Industry Showcase – October 6, 2023**
